Our beloved Nabi sallallahu alayhi wassalam was having a very difficult time. The Muslims were suffering in Makkah at the hands of the makkans, the journey to Taif had not been as successful as our beloved had hoped and he had lost his beloved wife Khadeejah and his uncle Abu Taalib. Allah Ta'ala wanted to comfort our beloved Nabi sallallahu alayhi wassalam by gifting him with the opportunity of meeting him through Isra wal Mi'raj.

Our beloved Nabi sallallahu alayhi wassalam was taken by Jibreel on the Buraq. The Buraq was an animal from Jannah. Larger than a donkey but smaller than a mule. It was white and its stride was as long as the eye could see... Within moments they had left Makkah and were in Jerusalem.

Upon reaching Al Aqsa, they tied the Buraq to one of the walls of the masjid and here our beloved Nabi sallallahu alayhi wassalam was honoured to lead 124,000 Prophets in Salaah!
