

An Eclipse is something the world awaits and spectates. From the Ahadeeth of our beloved Nabi sallallahu alayhi wassalam we learn it is definitely something to take notice of, but not for the reasons of it being a spectacle but as a moment to remember and fear Allah Ta'ala.

Perform salaah with jama'at in the masjid behind the Imam with a longer than normal Qiyam, Ruku and Sujood. After the salaah engage in dua till the eclipse passes.
