Parents

From the crowd of people who surround us daily, there are none more special and worthy of our attention, love and respect than our parents.

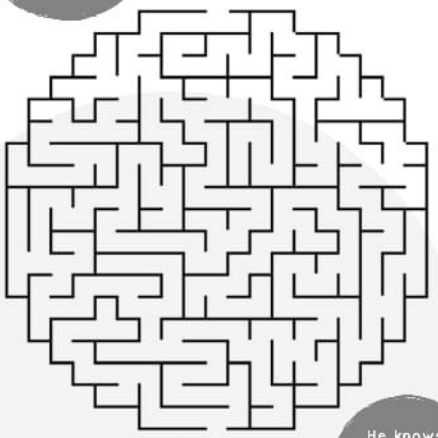

Help Ahmad get to the shops.

Any little action can please our parents.

Cut this heart out and gift it to them!

He's on his way to buy his parents a gift.

He knows this will make them happy.

Ahmad is riding his bike to and from the shop. Did you know, the 'Boarding a Vehicle' Du'a is for sitting on a bike too?!

Du'a for parents

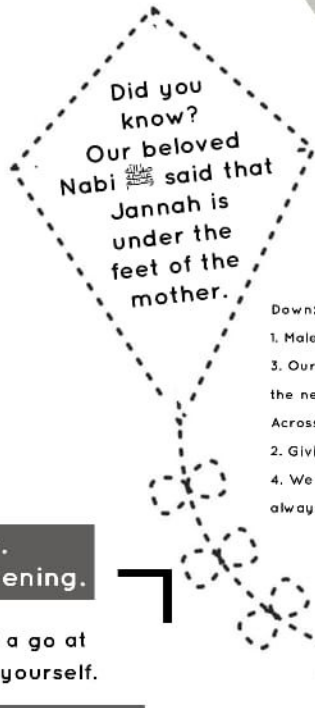

One easy thing we can do for our parents is make Du'a for them!

Here is a lovely Du'a:

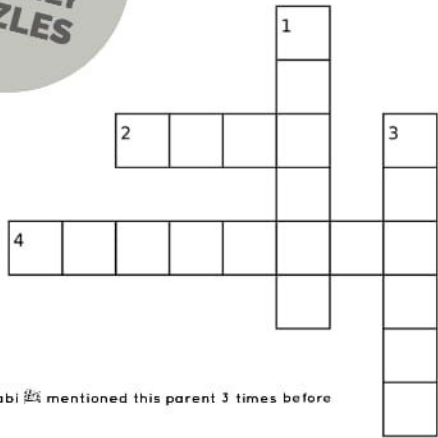

رَبِّ اَرْحَمُهُمَا كَمَا رَبَّيْتَنِي صَغِيرًا

Rabbir ham huma kama rabba yanee sagheera

Translation: "My lord! Be merciful to them as they raised me when I was young." [Surah Al-Isra, Ayah 24]

- Down:
1. Male Parent
 3. Our Beloved Nabi ﷺ mentioned this parent 3 times before the next
- Across:
2. Giving them a _____ every now and again is good practice.
 4. We should be very _____ to them all the time. We should always do what they say

Ahmad loves to help his father. Today they will be doing some gardening.

Join the dots together to see what Ahmad and his father have planted.

Now have a go at drawing it yourself.

Be nice to our parents
