

How can I show mercy...

Allah Ta'ala is Rahman (the most Beneficent) and Raheem (the most Merciful). Allah Ta'ala shows mercy to all His creation and He likes His creation to show mercy to each other.

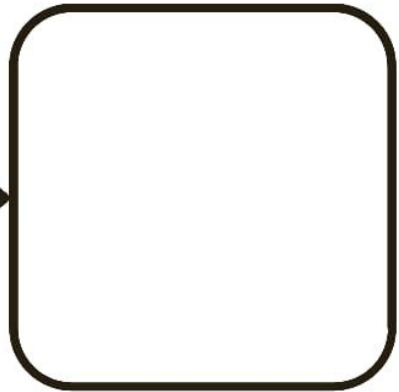

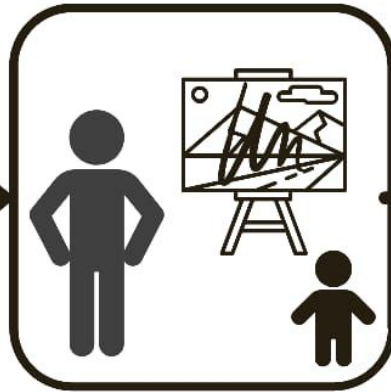

Do you know how to show mercy and kindness to others? Let's look at some examples and see how you would show mercy.

<p>An elderly person is carrying a heavy bag down the street.</p>		
<p>You have been given some money to buy icecream. On the way you see a beggar asking for some money.</p>		
<p>You just finished making a model. It has taken you a long time. Your little sister comes and knocks it down.</p>		

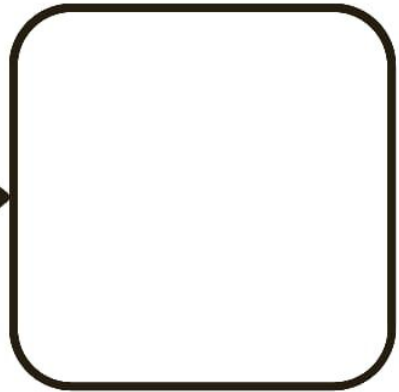

How can I show mercy...

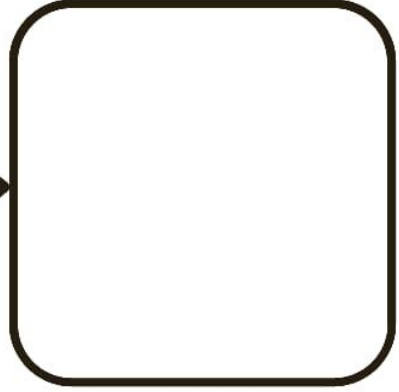

Your little brother scribbled over your drawing that you need to give in the next day.

A class mate has forgotten their lunch at home.

Your sister left her toys lying around and you fall over them.

Your mum is not feeling well and there is a lot of work to be done in the house.
