

# Allah Ta'ala's beautiful names Al Khaliq, Al Bari' and Al Musawwir.

Three of the beautiful names of Allah Ta'ala which describe His ability to create and make anything He wills are:

الْخَالِق

Al-Khaliq

The  
Creator

- 1) Allah Ta'ala is the one who creates something from nothing!
- 2) Allah Ta'ala creates things which before were not in existence
- 3) Allah Ta'ala decides what to create, where to create it and when and how to Create it!

الْبَارِئ

Al-Bari'

The  
Maker

- 1) Whatever Allah Ta'ala makes, He makes it perfectly.
- 2) Allah Ta'ala does not need to copy anything to make what He wishes.
- 3) Allah Ta'ala is free from faults.

الْمُصَوِّر

Al-Musawwir

The Shaper  
of Beauty

- 1) Allah Ta'ala creates and makes everything different, giving everything/everyone a unique (different) form.
- 2) His power of creation makes everything beautiful in the way He wishes to give it beauty.

Now let's look around and look at everything Allah Ta'ala has created and the beauty and perfection with which he has made everything.

## Activity Time!

In today's activity we will be making a Fun Slider to remind us of these three beautiful names of Allah Ta'ala.

What you will need

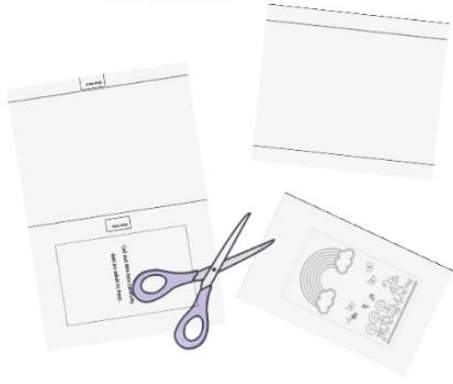

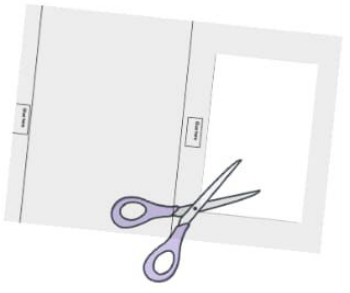

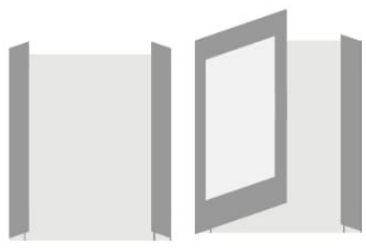

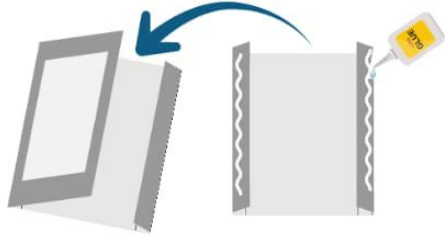

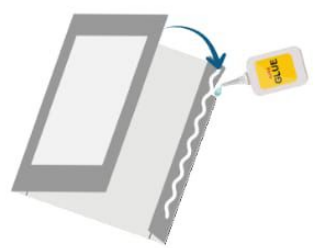

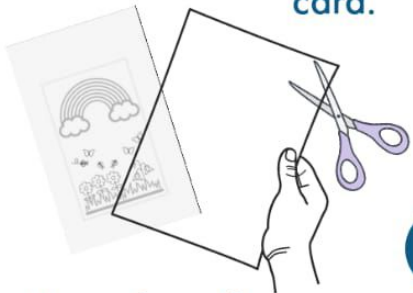

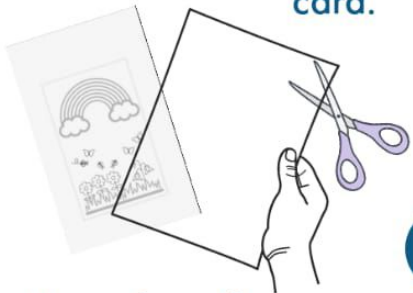

- . Printout of the two templates
- . Scissors
- . Colouring pencils/crayons/felt tips
- . Glue/selotape
- . Hard clear plastic or a laminating sheet which has been put through the laminator
- . Anything to Decorate the frame with.

# Fun Slider Card

## Instructions

## Names of Allah Activity

- 1** Print out both the template pages.  
  
Download the template:  
 [smallstepstoallah.com](http://smallstepstoallah.com)
- 2** Cut out all three templates along the solid line on both sheets.  

- 3** Cut out the rectangle from the middle of Template A.  

- 4** Make creases and fold the frame and the flaps on templates A and B along the dashed lines.  

- 5** Position Template B inside Template A and glue down only the two flaps to make a pocket.  

- 6** Now fold the front flap over and glue to the right edge.  

- 7** Cut the clear plastic to the size of the picture card.  

- 8** Now place the plastic on top of the picture  

- 9** Stick the top end together with sellotape.  

- 10** Trace the picture onto the plastic and colour the original picture.  

- 11** Carefully slide the coloured picture sheet into the back pocket and slide the plastic sheet between the pocket and the frame.  

- 12** Decorate the frame. And Your slider card is ready!
