Maryam

عليها السلام

Mother of a Great Prophet!

"O Maryam! Surely Allah has selected you, purified you, and chosen you over all women of the world."

Surah Aal 'Imran - 3:42

Sayyidah Maryam alayhas salam was very pure, pious and religious.

Her parents were Sayyiduna Imran and Sayyidah Hannah radhiyallahu anhuma.

She was born many years after her parents married and was their only child. Her father sadly passed away before she was born.

Auntie Isha' radhiyallahu anha

Uncle Sayyiduna Zakariyya alayhis salam

Everyone at al-Masjid al-Aqsa, wanted to look after her as she was a very special child.

Her parents promised Allah Ta'ala to give her for the service of al-Masjid al-Aqsa in Jerusalem, Palestine.

She was given a special room, connected to the Masjid, to worship and study in.

Sayyiduna Zakariyya alayhis salam was given the honour and was chosen by Allah Ta'ala through a miracle.

All day long, she would worship Allah Ta'ala and read the Tawraat. At night, she would return to her aunt 'Isha' with Sayyiduna Zakariyya alayhis salam.

Whenever Sayyiduna Zakariyya alayhis salam visited her, he would find her with fresh fruits that were not in season!

When he would ask about them, she would say they are "From Allah."

Seeing the miracle of the fruits, Sayyidah Maryam's (alayhas salam) aunt and Sayyiduna Zakariyya alayhis salam made Du'a for a child. Allah Ta'ala gave them, Yahya alayhis salam. He is the cousin of Sayyidah Maryam alayhas salam and a future prophet too.

Flowing Pens

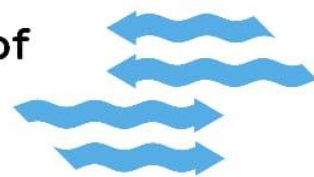

Who will look after Maryam alayhas salam?

Everyone at al-Masjid al-Aqsa, wanted to look after young Maryam alayhas salam. To help them decide, Allah Ta'ala instructed all those who were giving service to the masjid to go to a river.

They were told to take their pens with them, which were used to write the holy scriptures with and throw them in the river.

The person whose pen went against the flow of the river would be the guardian of Maryam alayhas salam! This was going to be a miracle from Allah Ta'ala.

So, as instructed by Allah Ta'ala, they all threw their pens into the river. The only pen to go against the flow was the pen of Sayyiduna Zakariyya alayhis salam who was the Prophet of the time and was married to the aunt of Maryam alayhas salam.

Through this incident and miracle, Sayyiduna Zakariyya alayhis salam became the guardian of Sayyidah Maryam alayhas salam.

Birth of Eesaa alayhis salam
A Baby Talks
Activity Page

Birth of Eesaa عليه السلام

A Prophet of Allah Ta'ala!

Allah Ta'ala wanted to show mankind that He could create a child without a father, just like He created Sayyiduna Adam alayhis salam without a father or a mother.

NEWS OF A BABY BOY

Once, Sayyidah Maryam alayhas salam went to the eastern part of al-Masjid al-Aqsa.

Angel Jibreel (Gabriel) alayhis salam appeared in human form.

He informed Sayyidah Maryam alayhas salam about Allah Ta'ala granting her a pious son!

She was puzzled and questioned how this was possible as she was pure and no man had touched her.

ABOUT HER PREGNANCY

She was told she will definitely be having a child as for Allah Ta'ala everything is possible.

She further learnt that her son's title will be Maseeh and his name will be Eesaa (Jesus) and that he will be a messenger (Prophet).

Sayyidah Maryam alayhas salam became pregnant and was expecting a baby just as Allah Ta'ala had willed.

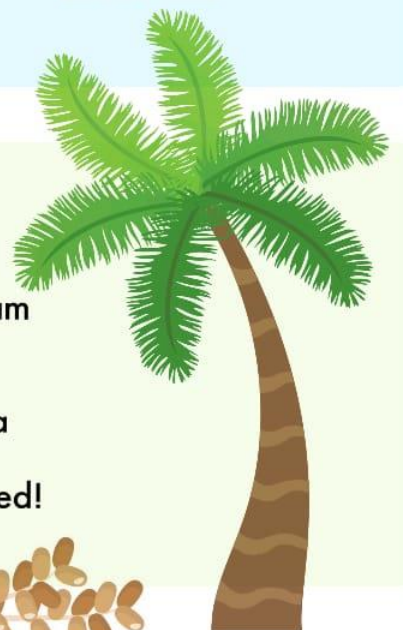

The days quickly passed and the time to deliver the child came. She left her home and travelled to a place called Bethlehem.

BIRTH OF A PROPHET

Upon reaching Bethlehem, she felt the first pains of childbirth. Knowing the time was near, she sat under a date tree and leaned against its trunk.

Allah Ta'ala created a spring of water for her to quench her thirst and provided dates from the palm tree for her to eat.

Within no time, Sayyidah Maryam alayhas salam gave birth to Sayyiduna Eesaa alayhis salam. She was overjoyed!

A Baby Talks!

Miracle of Nabi Eesaa alayhis salam talking as a baby!

إِنِّي عَبْدُ اللَّهِ أَتْنِي
الْكِتَابَ وَجَعَلَنِي
نَبِيًّا

With the newborn Eesaa alayhis salam in her arms, it was time for Sayyidah Maryam alayhas salam to meet her people and share the news of her baby with them. She was really worried, as they would question how she had a child without marriage. What would she say?

Allah Ta'ala always helps his obedient servants. To help Sayyidah Maryam alayhas salam, Allah Ta'ala showed the people an amazing miracle!

She was told by Jibreel alayhis salam to tell the people she was fasting. In those days, people who fasted did not eat, drink or talk. She was also told to point in the direction of Sayyiduna Eesaa alayhis salam.

When she returned to her people, as was expected, they shamed her reminding her of her pure lineage and expressed their sense of disbelief. Sayyidah Maryam alayhas salam remained silent and pointed at her baby.

Surprised, the people said, "Don't be silly Maryam! How can we speak to a child who is still a baby in the cradle?"

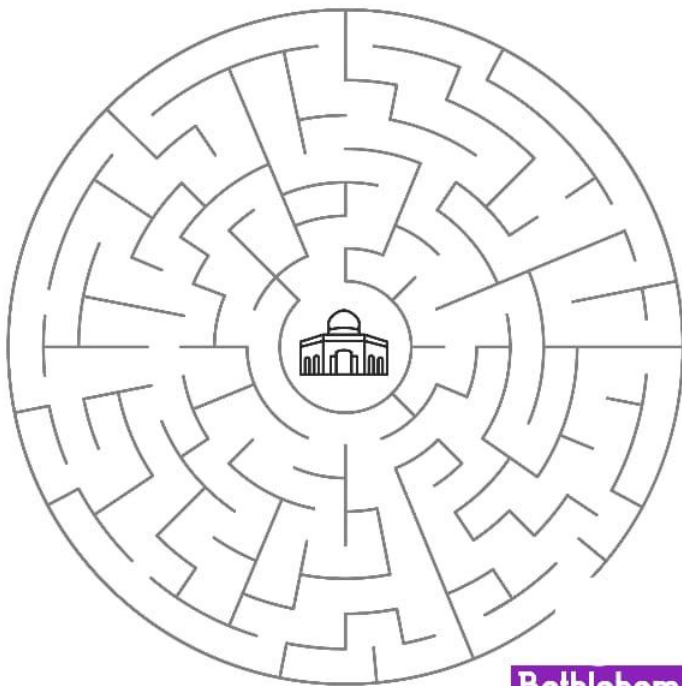

However, to their amazement they heard the child say, "I am the servant of Allah. He has decided to give me the Book and make me a Prophet."

The people were amazed and very quickly believed Sayyidah Maryam alayhas salam and knew that Sayyiduna Eesaa alayhis salams birth was a sign of Allah Ta'ala's power. This made them respect and honour Sayyidah Maryam alayhas salam even more!
